HEDGE TRIMMING

Take a look at our evergreen hedges next time you visit the club. They're robust and grow fast so we need to give them a haircut every year. We rely on a team of volunteers to manage this job which saves the club literally thousands of dollars. A big thank you to Frank Stoss, Stefan Visagie, and Ron Horne.

This year we opted to take the trimmings to the tip rather than burning them off in our open area out back. Besides needing more volunteers to stay for a long period and ensure the fire is put out, we also have heard from our neighbours that the smoke is unwelcomed.

Happy neighbours, beautiful garden, job well done!

Happy Birthday!
